

**6** MR  
**10** MC  
**12** MV  
**14** QUAD  
**16** TRIPOD  
**18** NESTING  
**22** WALL MOUNT

The M Series was created as a flexible, height adjustable, and ergonomic solution. The non-electric column gives a freedom, and environmentally friendly alternative, for all work environments. Its collaborative capabilities create an area for teamwork or when paired with a privacy screen, a personal space.

Known for clean lines and quality craftsmanship, its minimalistic design is due to traditional Danish principals of simplicity and functionality.

All M Series models are available with one of four columns - Ultra Light, Light, Medium, Heavy - depending on your needs.

## MR

**Height Range:** 27.6" - 44.1"\*

**Frame Only Weight Capacity:** 15 - 105 Lbs\*\*

**Adjustability:** Constant Force

**Worksurface Angle:** Rectilinear

**Parts Warranty:** 10 Years

**Craftsmanship Warranty:** Lifetime

**Special Feature:** Safety brake with integrated locking mechanism

*\*Including 1 1/8" worksurface.*

*\*\*Varies based on column weight capacity.*

10

## MC

11

**Height Range:** 27.6" - 44.1"\*

**Frame Only Weight Capacity:** 15 - 105 Lbs\*\*

**Adjustability:** Constant Force

**Worksurface Angle:** 90°

**Parts Warranty:** 10 Years

**Craftsmanship Warranty:** Lifetime

**Special Feature:** Safety brake with integrated locking mechanism

*\*Including 1 1/8" worksurface.*

*\*\*Varies based on column weight capacity.*

## MV

**Height Range:** 27.6" - 44.1"\*

**Frame Only Weight Capacity:** 15 - 105 Lbs\*\*

**Adjustability:** Constant Force

**Worksurface Angle:** 120°

**Parts Warranty:** 10 Years

**Craftsmanship Warranty:** Lifetime

**Special Feature:** Safety brake with integrated locking mechanism

*\*Including 1 1/8" worksurface.*

*\*\*Varies based on column weight capacity.*

# QUAD

**Seats:** 4

**Height Range:** 27.6" - 44.1"\*

**Frame Only Weight Capacity:** 15 - 105 Lbs\*\*

**Worksurface Angle:** 90°

**Adjustability:** Constant Force

**Parts Warranty:** 10 years

**Craftsmanship Warranty:** Lifetime

**Wire Management:** Included

**Special Feature:** Safety brake with integrated locking mechanism

*\*Including 1 1/8" worksurface.*

*\*\*Varies based on column weight capacity.*

16

## TRIPOD

**Seats:** 3

**Height Range:** 27.6" - 44.1"\*

**Frame Only Weight Capacity:** 15 - 105 Lbs\*\*

**Worksurface Angle:** 120°

**Adjustability:** Constant Force

**Parts Warranty:** 10 years

**Craftsmanship Warranty:** Lifetime

**Wire Management:** Included

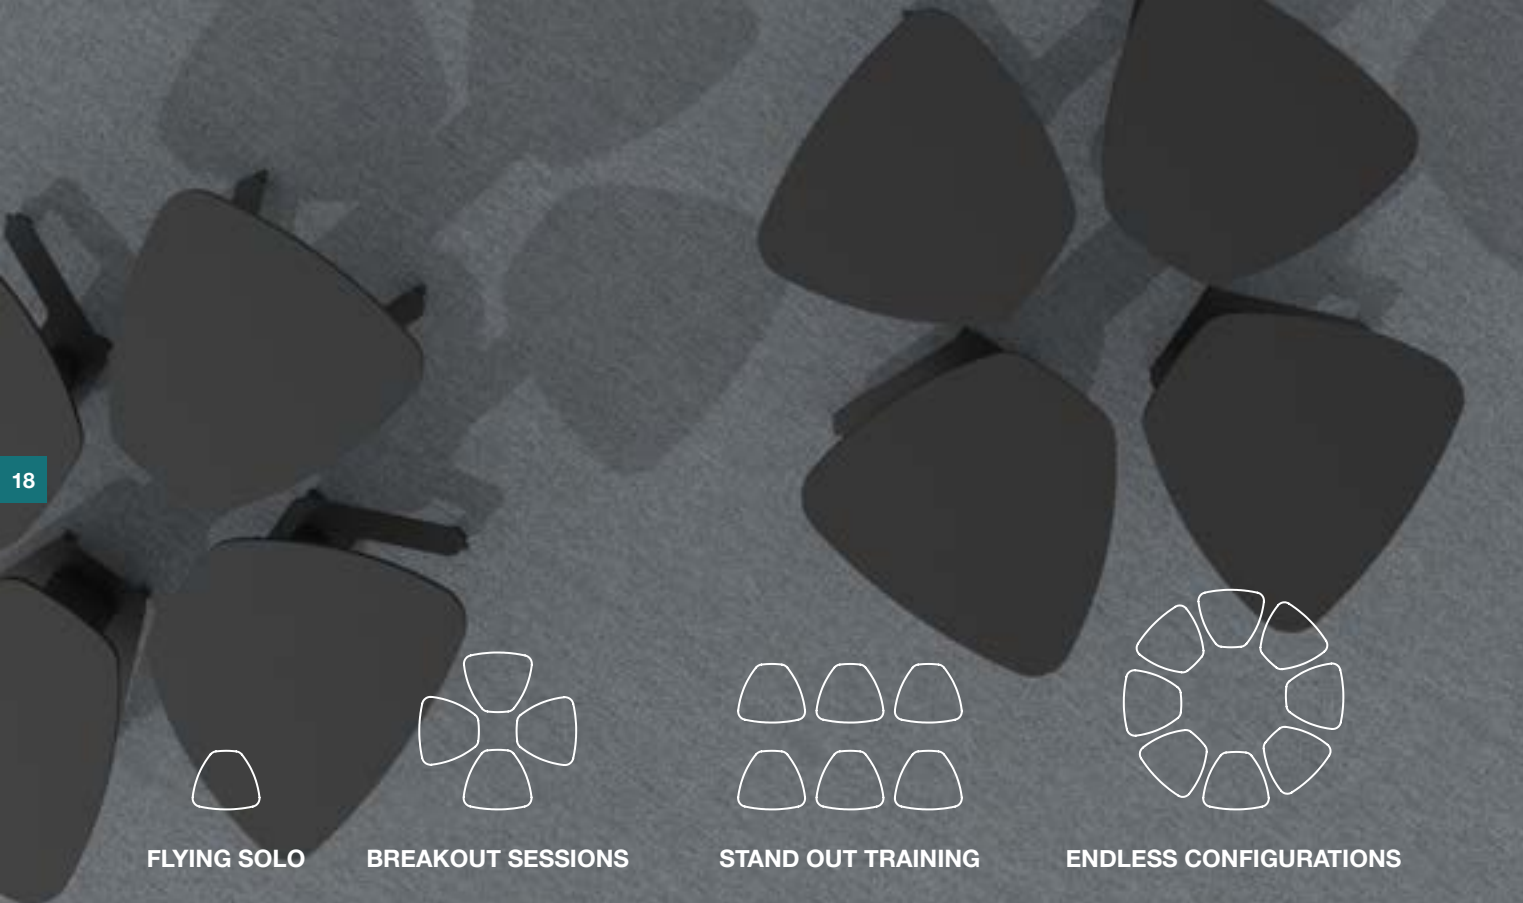

**Special Feature:** Safety brake with integrated locking mechanism

*\*Including 1 1/8" worksurface.*

*\*\*Varies based on column weight capacity.*

17

FLYING SOLO

BREAKOUT SESSIONS

STAND OUT TRAINING

ENDLESS CONFIGURATIONS

## NESTING

**Height Range:** 28.6" - 45.1"\*

**Frame Only Weight Capacity:** 15 - 25 Lbs\*\*

**Adjustability:** Constant Force

**Parts Warranty:** 10 years

**Optional Tilt:** 0°, 15°, 22.5°, 45°, 90°

**Craftsmanship Warranty:** Lifetime

**Special Feature:** Safety brake with integrated locking mechanism. 2" Locking casters included.
