

FIELLO™

Manufactured by SiS Ergo with Gensler as Product Design Lead, Fiello™ incorporates design & functionality to meet the challenges of today's active workplace. Following months of user research around the landscape of sit/stand desks, we have proudly developed a holistic & scalable solution to solve organizational, power, & privacy issues, all while reducing environmental impact.

Height Range: 22.1" - 48.6"

Speed: 1.5" Per Second

Weight Capacity: 350 Lbs

Worksurface Angle: Ergo, Rectilinear, L

Adjustability: Electric Control

Special Features: Soft Stop, Advanced Collision Avoidance

Motor & Parts Warranty: 5 years

Craftsmanship Warranty: Lifetime

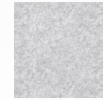

Qualifications: Fiello Meets ANSI/BIFMA Standards

Environmental Consideration: PVC Free Frame

Components, .1W Standby Power

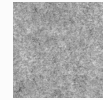

Optional Upgrade: Bluetooth Control
